## KM's Cost Saving Forms Solutions

Forms printing made easy using Kyocera Mita's Prescribe Language and ECOSYS Laser Printers and Copiers.

### COMMON SOFTWARE SOLUTION FOR FORMS PRINTING

PRESCRIBE, *Kyocera Mita's unique printer control language, is platform independent. Offering major cost saving and productivity enhancing benefits, it is a convenient and cost efficient way to manage large numbers of forms regardless of their complexity.*

There are many types of pre-printed forms used in the office: purchase orders, invoices and insurance forms being just a few. Pre-printed forms take up space, are expensive and difficult to change. Electronic forms reduces labour costs associated with ordering, processing, distributing and filing forms. With the use of KM's intelligent printer language, PRESCRIBE users can store these forms in the printing device, thereby, eliminating the need for pre-printed forms.

### BENEFITS OF KYOCERA MITA SIMPLY FORMS SOLUTIONS:

**By storing forms on Compact Flash Cards or the printer's Hard Disk Drive, you can**

- Minimise investment and maintenance costs.
- Eliminate the costs associate with pre-printed forms.
- Modify forms as needed to accommodate changes such as addresses, logo's, post codes, etc.
- Reduce network burden by storing forms on the printer.

**Ideal For:**

- Businesses requiring reduced forms printing and storage costs.
- Businesses with the need to increase network efficiencies.
- Businesses that frequently change form content.

## Simply Forms Applications:

Replace traditional impact printing methods with KM ECOSYS Laser Printers or Copiers.

### Finance

Financial data is cost efficiently printed on plain paper with improved print quality at a lower cost.

### Warehouse

From packing slips to labels, forms are printed on demand.

### Government

Government organisations; federal, state, and local, rely more on forms than any other type of commercial organisation. The need to find a simple, secure, cost effective way to output these forms is essential.

### General Business

Information is a critical part of every business. Fax cover pages, memos, general proposals, and even letterhead are all used on a constant basis in any company. With the amount of paper traffic that goes around your office, you will most certainly encounter the problems associated with overprinting, inventory, and obsolescence of your forms. While a lot of these issues appear transparent, they have a negative effect on the bottom line. By taking advantage of the KM's Simply Forms Solution, you can eliminate waste while improving your workflow.
